Jaimes Family: God is my witness & I would like to say that Mr. Jaimes was a wonderful and caring person and the best person to work for. You enjoyed going to work for he was understanding and very considerate. Saw him upset very little and always had nice things to say about his career and family. My children really admired him as well as many of the students for he always had a smile and treated all with respect. May Jesus open the doors of heaven to him and may HE comfort his entire family. My sincere condolences for your loss of Mr. Jaimes. He always had a smile on his face and had a heart of gold. I first met him during Coyote Baseball Games. While our boys, Terry and Johnnie were out on the field, he would play with my daughter, Regina "Regi" and she absolutely loved him. She must have been in Pre K or Kinder. She would always ask to go play with Mr. Jaime's and he would give her his complete attention. Regi would tell me, "Mr. Jaimes said for you to take me to his house to play." I think we went over for a quick visit. She talked about him for a long time thereafter and to this day she still remembers him with fond memories. Believe it or not she is now 30 years old. He was an Angel on Earth and now he's an Angel blessed in heavenly paradise

Mr J was always smiling and saying things that stuck with me. He was another uncle to me and his family were my cousins related to my Tia Carmen Chavira. My favorite thing he said to me that I will always remember while driving in that old pickup he drove forever was "T here is never a bad sound in this truck I can't fix by turning up the radio". Love Uncle J! RIP.
