Upon graduation from Galena Park High School in the Houston area, Jerry joined the United States Marine Corps where he was a member of the Marine Corps Band. He marched in various events around the country including the Rose Bowl Parade, and learned many life skills making him a “jack of all trades” which would serve him well throughout his life. That was a years long venture followed by being awarded the contract as concessionaire at Garner State Park. From there Jerry worked in agriculture, as a locksmith and many other occupations, but was most proud of his work as a teacher in Brackettville, where he also was the announcer for home football games. He loved his students and they loved him.

Kenneth Tyer lit a candle in honor of Jerry.

I will miss my friend very much. We had some great times together.One of my memories of our close relationship was when we rented a home together after we both gotten divorces. I wanted to get groceries and he just laughed and said we weren't going to be doing any cooking. It was typical we was always so candid.My other close experience was when we bought a sailboat together and he appointed me as the captain and operator while he relaxed.RIP my friend.Kenneth Tyer
