On behalf of the Norris/Chapa/Camacho Families, we would like to express our deepest gratitude to everyone who has supported us during this challenging time. We are thankful to God for making it all possible and for blessing us with so many wonderful people. The outpouring of love and kindness from our communities has been truly heartwarming, and we feel blessed to have such caring individuals in our lives. We had bikers from all parts of south Texas ride to be with us, which was a beautiful display of solidarity and support. In the midst of struggle and grief, it's beautiful to see the goodness that exists in our world. May God bless every single person who prayed for us, donated, bought burgers, sent donations, helped at the event, participated in the run, or simply thought of us despite not being able to attend. Your kindness and generosity mean the world to us, and we appreciate every single one of you. Thank you always, Johnathan and Jessica Norris
